

State regulations do not permit students to "charge" lunches. It is the parents' responsibility to send their children to school with a lunch or with lunch money. If there is a financial hardship at any time, applications for free and reduced-price school lunches are available throughout the year at each school or from the Student Services Coordinator. For more information, please see your school principal or school nurse, or call the Student Services Coordinator at (508) 636-1144.
