STUDENT AUTOMOBILE PARKING

High School students may apply for permission to obtain automobile parking privileges. The School Department reserves the right to revoke a student's automobile parking privileges at any time that it deems it appropriate. The following are the minimum requirements for consideration of application for a student parking permit:

- Parental consent in written form
- Possession of a valid Massachusetts driver's license.
- Evidence of insurance coverage.
- Current, valid vehicle inspection.
- Payment of twenty-five dollars (\$25.00) for a parking fee. Students must have a parking permit visible in their vehicle while on school grounds.
