To Whom It May Concern,

There has been some confusion regarding school lunch eligibility while children are enrolled in the Westport Community Schools Pre-School program. Students enrolled in our Pre-School program, unfortunately do not qualify for free or reduced lunch/breakfast eligibility, even if they have siblings in the district. This is because our Pre-School program is a full paying program, which is not federally or state funded. Therefore Pre-school students do not qualify under the USDA guidelines. If you received a letter at the beginning of the school year stating that your child qualifies, this eligibility has now been withdrawn due to this regulation. All Pre-School students that would like to buy school lunch must pay the full price which is \$3.00 per school meal or \$.50 for milk only.

If you should have any questions please contact me at 508-636-1140 or see the United States Department of Agriculture website for their fact sheet at <https://fns-prod.azureedge.net/sites/default/files/cn/NSLPPFactSheet.pdf>.

Sincerely,

Michelle A. Rapoza
School Business Administrator
