

Greetings Parents, Guardians, and Wildcat Students,

My name is Sean Persico, and I am thrilled to be the new Assistant Principal at Westport Middle School! Working alongside Mrs. Charette and our district leadership team this summer has been an exciting journey as we get ready for the 2021-2022 school year, and I cannot wait to meet our students, families, and community members in the fall.

Much like Mrs. Charette, I hold all students to high expectations for their individual success and commitment to the school's mission statement while fostering an inclusive Wildcat community. The two of us intend to provide a safe, meaningful education for our students that fosters grit, perseverance, and accountability. I believe that all students can succeed, and I am determined to ensure that our students have a positive experience at Westport Middle School.

Open and honest communication is a crucial component of student success. Please do not hesitate to contact me with any questions or concerns you may have. I look forward to an inspiring school year full of new experiences for our students. Go Wildcats!

Respectfully,

Sean Persico

Westport Middle School Assistant Principal
