

Dear Parents, Guardians, and Students,

Welcome Wildcats to the 2021-2022 school year!

The purpose of this website is to provide parents, students, and our school community with information about Westport High School's programs, activities, and policies. As we will be transitioning to a new website potentially in October 2021, we ask for your patience as we work on updating this information as quickly as possible.

Westport High School's mission is "to provide a safe, cooperative learning environment where all students take pride in learning skills, developing talents, and gaining knowledge which prepares individuals to reach their full potential and to become productive members of society." To accomplish this, I persuade students to become active participants in our academic curricula and extracurricular activities. Additionally, I invite students and parents to recommend academic courses and extracurricular activities offerings that are not currently observed in Westport to ensure that WHS continually evolves to provide the most comprehensive learning experience possible.

As we venture through a school year that is still permeated by the COVID pandemic, I encourage students and parents to contact the building administrative team for ongoing guidance and support. Mr. Kevin Aguiar is Westport High School's Assistant Principal. Mr. Aguiar can be contacted via email at kaguiar@westportschools.org. Additionally, I can be contacted via email at kmckinnon@westportschools.org. Mr. Aguiar and I look forward to a great 2021-2022 school year with our Wildcats!

Sincerely,
Dr. Kerri McKinnon
Westport High School Principal
